

SWFDP Workshop Training: From Here to Where?

Currently

All attendees have their formal training and some experience

Some had training workshops –
But do you grow as you should grow?

Formal Training Environment

Top-up meteorological training (when identified through on-going and on-the-job competency)

Preparation
Teaching
Guidance
Education
Schooling
Instruction
Exercise

Formal Training Environment

Initial meteorological training & assessment

Back in the office

The question remains – what now?

There are other options available –
all depend on the way you as a person
wants to grow.

Adult Education

- **Adult education** is the practice of teaching and educating adults.
- Adult education takes place in the workplace, through "extension" school or "school of continuing education"

Methods of learning as Adults

- accelerated learning,
 - coaching,
 - guided design, and
 - Justin-time training
-
- It all depends on:
 - learner knowledge,
 - skills,
 - attitudes, and
 - self-efficacy beliefs
