# Setting up of **Disaster Risk Reduction Management Centre-DRRMC**

- As from the 15<sup>th</sup> October 2013 DRRMC was operational succeeding to the Disaster monitoring centre known under the Cyclone and other Natural Disaster Scheme
- The centre is under the aegis of the PMO and our liaison officer; Mr Heetun makes the bridge between Met Services and the Centre.

- Prior, during and after a severe weather event, a Crisis Committee meet to evaluate the situation and the shortcomings under a group evaluation.

# Public feedback

- Survey forms
- e-mail on our web-site
- Our new website caters for **survey forms** which have been uploaded for severe weather events
- **Feedback forms** for day to day

**Thank You**
